The term margin stock includes principally (1) stocks and other equity securities that are registered on a national securities exchange or any over-the-counter security designated for trading in the National Market System, (2) debt securities (bonds) that are convertible into margin stock, and (3) shares of most mutual funds. 6 RISK DISCLOSURE STATEMENT

I am aware of the terms and conditions and the risks involved in a Line of Credit, including, without limitation, the following:

- i. I can lose more funds than are held in the Collateral Account(s) and will be liable for any deficiency.
- ii. E*TRADE Bank can force the sale or other liquidations of any securities or other investment property in the Collateral Account(s).
- iii. Unless otherwise required by law, E*TRADE Bank can sell or otherwise liquidate any of the securities in the Collateral Account(s) without first contacting me.
- iv. I am not entitled to choose which securities in the Collateral Account(s) are liquidated or sold.
- v. Such sale or other liquidation may result in other adverse consequences, including, without limitation, loss of future returns, dividends, and appreciation and/or loss of receipt of par or similar guaranteed value due if such investment were held until maturity. I understand and agree that all sales or liquidations may be effected at times and in manners designed to address E*TRADE Bank's credit concerns, as determined by E*TRADE Bank at its sole discretion, and may result in materially less proceeds than if such sales or liquidations had occurred at different times or by different methods.
- vi. Without precluding any other methods of sale or liquidation, E*TRADE Bank may sell or liquidate any securities or other investment property in the Collateral Account(s) at its sole discretion. Acceptance of any securities or other investment property in the Collateral Account(s) is not a representation that any market exists for such property or that such issuer or agent is obligated to purchase such investment property.
- vii. E*TRADE Bank reserves the right, at its sole discretion, to determine which securities or other investment property in the Collateral Account(s) receive collateral value for the Line of Credit and to change that determination at any time without notice to me.
- viii. E*TRADE Bank can increase its collateral maintenance requirement at any time and is not required to provide advance written notice to me.
- ix. I am not entitled to an extension of time to satisfy E*TRADE Bank's collateral maintenance requirement, and E*TRADE Bank is not required to give me such an extension.
- x. There may be adverse tax consequences if securities or other investment property is sold or otherwise liquidated.
- xi. I am entitled to draw against my E*TRADE Line of Credit only to the extent that there is credit availability and provided that my Collateral Account(s) meets E*TRADE Bank's collateral maintenance requirements at the time I make a draw request.

I understand that there may be risks and benefits in pledging certain types of investment assets to secure my Line of Credit. For example, deposit accounts, money market funds, and similar investments ("cash equivalents") may produce less interest income or other yield than the interest rate I am paying on my Line of Credit, although such cash equivalents may provide less volatility and more liquidity to help alleviate collateral or maintenance call risks. I have considered the mix of investments in my Collateral Account(s).

7 APPLICANT ACKNOWLEDGMENT AND AGREEMENT

E*TRADE Bank may obtain and use these consumer reports to authenticate my identity, to make credit decisions, and from time to time in connection with the servicing, modification, refinancing, monitoring, collection, or enforcement of the Line of Credit.

I further acknowledge and confirm that:

1. I have read and understand this Application.

If this Application is being submitted electronically, I hereby agree that (i) my electronic consent is effective and I will not dispute the legally binding nature, validity, or enforceability of this Application because the terms were accepted by me with an electronic consent and (ii) my electronically consented to Application may be retained electronically by E*TRADE Bank as the original record thereof, and it may be admitted into evidence in any proceeding concerning the Application. E*TRADE Bank agrees to comply with all applicable state and federal electronic records and signatures laws, including but not limited to the Electronic Signatures in Global and National Commerce Act. E*TRADE Bank may, at its sole discretion, decline to accept, or request further verification of, any attempted electronic signature but shall be entitled to rely on such electronic signature without further verification.

The Ohio Civil Rights Commission administers compliance with this law.

If the loan for which you are applying is granted, you will notify the lender if you have a spouse who must receive notification that credit has been extended to you.
